COUNTY OF PETTIS

The Pettis County Road Department is accepting applications for a Full-Time Operator.
Applications may be picked up at the Pettis County Road Department Office at 1511 N Ohio; Sedalia, MO 65301 or are on the Pettis County website at www.pettiscomo.gov under the job opportunities tab.

Pay: From $20.00 per hour
Job Type: Full-time

A qualified individual is one who:

- Has the physical ability required to lift and move objects weighing up to 75 lbs.
- Must be able to perform daily routine physical activities without restrictions.
- Can perform required duties in inclement weather conditions including but not limited to ice, snow, extreme heat, and extreme cold.
- Has the interpersonal skills necessary to relate to colleagues and members of the public under conditions that may, on occasion, be adversarial or stressful.
- Must pass a DOT pre-employment drug test.
- Has vision and hearing, with or without corrective devices, considered within the normal range necessary to safely operate heavy equipment.
- Can understand, interpret, and implement verbal and written instruction.
- Must have a CDL class A or B

General Job Duties Include:

- Perform manual labor related to completing road construction and maintenance to include paving, brush removal, and mowing.
- Perform traffic monitoring and control, including the flagging of vehicles and the distribution of barricades, warning signs, and safety cones.
- Operate various hand and power tools in the performance of routine construction and maintenance duties.
- Operate Class C vehicles in the performance of routine duties; load and secure materials and equipment on truck for transportation; transport staff, fuel, tools, and/or other materials to and from work sites.
- Perform general patrolling and clearing duties on roads, ditches, road access areas, and culverts.
- Perform generalized yard and building maintenance, including sweeping, mopping, shelving and mowing.
- Assist in the construction of fences, guardrails, and/or other structures.
- Pull levers or turn cranks to tilt body and dump contents.
- Operate, drive, and control heavy equipment.
- Check and maintain equipment functionality often.
- Keep performance records of machine functionality regularly.
- Provide preemptive maintenance on equipment to prevent malfunction.
- Perform minor repairs and report issues for larger repairs.
- Perform other related duties as assigned.

Schedule:

- 10 hour shift; Monday to Thursday – summer hours
- 8 hour shift: Monday to Friday-winter hours

Comprehensive Benefits Package Includes: Paid vacation, paid sick, retirement package, dental, health, vision, life insurance and paid holidays.
